HEALTHY. CONFIDENT. CONNECTED. SECURE.

CHILD CARE

Over 19,100 kids nurtured

As the largest child care provider in Kansas, the Y provides youth with the tools and resources they need to succeed in life. 8,386 kids and teens explored new interests, learned new skills and built relationships at 28 summer day and overnight camps. 3,788 children prepared for kindergarten in 22 early learning programs. 6,982 youth discovered support and friendship in 105 before and after school programs.

THRIVING YOUTH

1 in 4 Kansas kids served

The Y is committed to empowering children to lead healthy, active lifestyles. From gaining confidence to building positive relationships with adults and kids alike, youth at the Y develop lifelong, healthy habits from the inside out. 12,679 youth learned life-saving swim skills, and 24,270 kids learned teamwork and stayed active in our youth sports programs. 149,771 kids were impacted by a Y program or service in 2024.

SERVICE

507,254 Kansans served by 10 YMCA associations

The Y provides a supportive environment for families of all backgrounds, ages, and abilities where people can meet their health and wellness goals through exercise, nutrition, and chronic disease prevention programs.

VOLUNTEERISM

6,495 volunteers donated
218,261 hours

The Y is the charity of choice for thousands of Kansans who donated \$30 million in 2024. These volunteers gave \$7.3 million worth of their time, talent and effort to better Kansas communities.

BUILDING CAREERS

3,843
Kansans employed

The Y employs neighbors to help neighbors. Kansas YMCAs employ thousands of full-time, part-time and seasonal staff—many of them youth. This large and diverse workforce is an economic engine in our state.

SENIOR WELLBEING

53,909 Kansas seniors connected

Kansas Y programs help prevent social isolation in older Kansas adults by allowing them to connect and engage in meaningful activities. Small lifestyle changes such as increasing physical activity, eating healthier and staying active socially can help older adults live better.

ADVANCING EQUITY

Over 75,217 new Kansas users of YMCA360

With 437,422 new users nationwide, 70 million visits and 2,500+ classes, YMCA360 is strengthening our state's health resiliency by using a digital platform to promote activity and healthy lifestyle choices to people of all ages, abilities, and locations. Now every Kansan can access the Y.

TOGETHERHOOD

1 in 5
Kansans impacted

1 in 5 Kansas kids and adults participated in Y programs and services in 2024, building community by bringing people of all ages and walks of life together to identify goals and encourage teamwork and wellness.

FIGHTING HUNGER

940,952 healthy meals & snacks served

One in six children in Kansas struggle with hunger every day. Through partnerships with food banks, schools and other nonprofits, and the USDA's Child and Adult Food Program and Summer Food Service Program, YMCAs serve as a partner in helping feed Kansas' kids.

MEETING COMMUNITY NEEDS

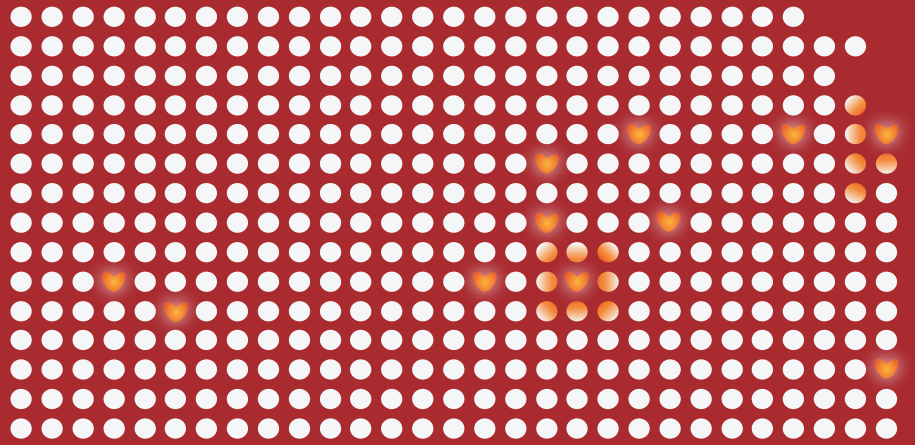

\$10,126,658 given in financial assistance

Thanks to over \$30 million in donations from generous community members, all Ys are able to offer direct financial assistance to individuals and families so they can participate in programs and services that enhance their health and wellbeing. Our child care assistance scholarships allow families to go to work knowing their children are safe and receiving quality care.

STRENGTHENING KANSAS COMMUNITIES

The Kansas State Alliance of YMCAs advocates, promotes and supports all Kansas YMCAs as they work to strengthen their communities and connect all people to their potential, purpose and each other.
